New Parent Governor

We would like to welcome Lynsey Maunder to the Governing Body. Please see below Lynsey's opening comments.

'I am a parent who takes an active interest in my daughter's education and as such I am a regular visitor to the school. I am already an active member of the PTFA so I feel that it is a natural progression to become involved in a more formal way and see the opportunity to become a Parent Governor as a perfect way of doing this. I hope that through this route I can represent the interests of parents as a whole and support the strategic work of the governing body. I am very open to hear from fellow parents with any issues that they would like me to raise at Governor meetings'.

Yours truly
