Christmas Elves busy writing tags in Santa's Grotto.

The children made a map to help show him where to go across the world.

This half term we have had lots of exciting lessons and experiences.

We have had visits from several people who help us. The school nurse came to talk about her job and how we can stay healthy. The fire safety officer from the fire brigade came and taught us lots of things - the importance of a smoke detector at home and how often to test it (weekly!), how to call 999 and who to ask for, and what to do if your clothes catch alight - Stop, Drop and Roll! See the photos and a link to the Fireman Sam song.

We had a visit from our Governor, Georgina Coombs, who introduced the performance poetry competition to us. The children enjoyed it and really took on the roles. Quite a few children learnt a poem by heart and performed to the class. Ollie B, Amelia and Roxi were selected to perform in front of the WHOLE school, with Ollie winning the first place for Reception. Well Done!
