

Year 4 Autumn Term Newsletter 2018

Stars of the week

Congratulations to the following children for shining that little bit extra this term:

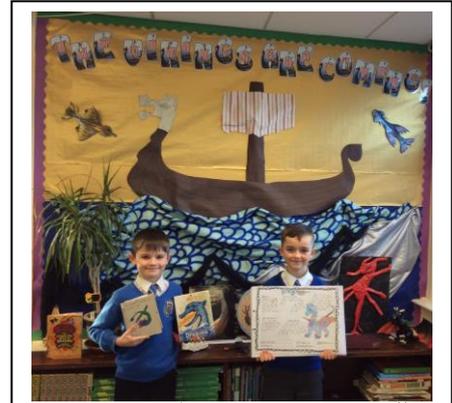

Esmee, Lydia, Joseph, Kai, Ruby J, Oliver, Rose, Billy, Dylan, Theo, Poppy, Logan, Millie, Oscar and Lily V.

WOW wall

For superb work for a variety of different subjects and well-presented work, gaining a place on our wow wall this term and access to the Head teacher's gold box were:

Esmee, Lilly C, Lydia, Finn, Teddy, Evie, Dylan, Julia, Millie, Sammy and Emily.

"In Year 4, we have been doing a really fun Topic about Dragons. We are reading 'How to train Your Dragon.' It's really good! We have done an amazing project about Dragons. We all drew our own dragons. In my spare time, I made a book full of Dragon Top Trumps." -Toby

This term we have had lots of exciting lessons and experiences. Our main focus this term has been on Invaders and Settlers and Vikings in particular.

"Year 4 went to the New Barn Field Centre near Dorchester. We were Vikings for the day and went to a longhouse. We were grinding corn to make flour and making butter from milk. I liked making the milk." -Sammy

"In class, Year 4 learned about Viking Myths. We watched videos and acted some out before writing our own. I enjoyed writing my own myth because I could use my imagination to write about Viking gods and giants." -Finn

"We have worked as a team to produce a range of Invaders and Settlers Projects. We could choose who to work with and how to present our work. My team did a news report about Viking Raiders who stole from monasteries. We have enjoyed the work that we have put into it. I have appreciated the range of ways people presented their work. I particularly liked the movie that Teddy, Oscar and Toby made." -Millie

"We wore odd socks for anti-bullying week because every one of us is a team. We enjoyed Christmas Jumper Day too!" -Lilly

"In Science, we have learning about branching databases to classify animals. Every day, we do meditation to help us calm down after break and talk to God and it helps us feel calm for the rest of the day." -Oliver

"I enjoyed the Badminton Festival, especially getting to work with different people from Colfox. Every week, we use the ipads to go on Sumdog which is a maths game. I like it because you get to choose different games and it's really fun! We get to play it at home too." -Esmee
