

## Pupil Voice

### School Code and Class Charters

We have worked with the teachers and our class mates to write our School Code and Class Charters.

- We all know the consequences of Good Choices and Wrong Choices
- We all know how we can get help if we need it or if we want to share something
- We know that we have rights and with these comes responsibilities
- We know we can always speak to a teacher or other adults who work in our school
- We know we can always write a note for Big Cat in the worry box and it will be shared with an adult

We want our parents to know that they can speak to our teachers. As they are busy making our lessons fun, we think the best way is to either ring and leave a message for our class teacher asking them to ring back or make an appointment in the office to see them
